Always wear approved safety glasses and ear protection when shooting or observing shooting at any Lewis Target.

Always maintain a Minimum Safe Distance: 30 feet for handguns, 50 yards for Rimfire rifles, 150 yards for Centerfire rifles. Do not move closer than these distances to any Lewis Targets.

Never fire a gun while under the influence of alcohol or drugs.

To reduce the likelihood of (a) bullet ricochet, DO NOT USE Jacketed ammo.

All shooters must be trained and qualified in the proper and safe use of firearms.

Minors shooting at targets must do so under proper and qualified adult supervision.

Always inspect the targets before and after use for proper and safe operation. Do not use any targets if any damage or improper operation is found.

**Step 1.** Place upright with target plates assembly onto base piece.

**Step 2.** Place one (1) base bolt, align bolt and start threads.

**Step 3.** Start the other three (3) base bolts in the same manner as in Step 2.
